

Create A Cake With Colorful Candles

Directions: Go over candle colors on this sheet with student before having him/her cut them out. Next, student should paste cut-out candles on the following sheet in their corresponding places. **Note:** Color copy this sheet when duplicating it.

pink

red

orange

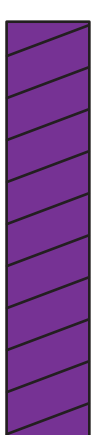

yellow

green

blue

purple

gray

brown

black

Create A Cake With Colorful Candles

Directions: Have student glue colored candles from previous sheet on top of empty candles with corresponding color names below. Student should then trace the "C"s in the frosting (any color), color the cake and candle flames, and answer the question above the cake.

Can you count the candles on the cake?

There are this many: _____
